SEAFOODS™

Specialty Products

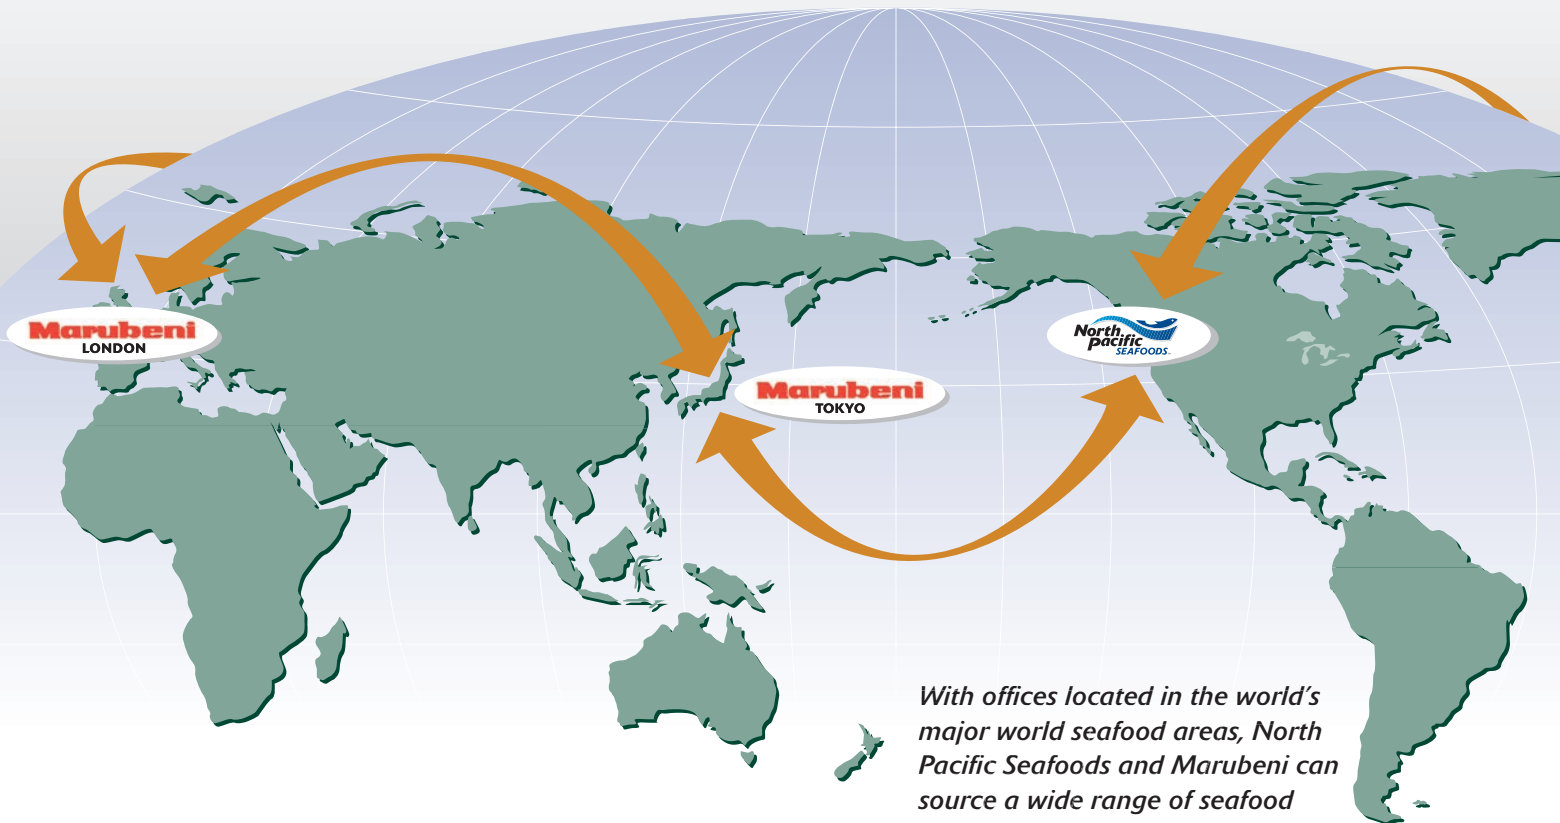

Specialty Products

In addition to the Alaska seafood produced at its facilities, North Pacific Seafoods also offers a number of specialty items. Some products are sourced in Alaska and others come from around the world to supply our customers with seafood for any application or niche market. Our specialty product offerings vary based on our customers' requirements and market programs. All products and processing facilities meet the quality and freshness standards of North Pacific Seafoods.

Product Specifications

Please contact us for product specifications for the listed items. If you have interest in a product that is not listed, please contact us at sales@npsfds.com.

Specialty Products
